Historical Origins of the Pink Triangle

The Use of the Pink Triangle in Nazi Germany

The pink triangle's history is inextricably tied to the atrocities committed during the Holocaust. During Nazi Germany's regime (1933–1945), homosexual men—primarily gay men—were targeted as part of the regime's campaign against what they deemed "degenerate" behaviors. To identify and stigmatize these individuals, the Nazis assigned pink triangles to male prisoners found guilty of homosexual acts under Paragraph 175 of the German Criminal Code. Initially, the pink triangle was a badge of shame—used to publicly mark and dehumanize gay prisoners in concentration camps such as Auschwitz, Dachau, and Sachsenhausen. The visual symbolism served both as a tool of persecution and social control, reinforcing the regime's narrative that homosexuality was a threat to Nazi ideals of racial purity and social order. The pink triangle was often worn alongside other badges denoting different groups—Jews, Romani people, political prisoners—forming a hierarchy of oppression. For many gay men, the pink triangle became a symbol of their suffering and societal marginalization. It's estimated that thousands of gay men were imprisoned, and many perished in the camps.

Symbolic Significance During the Holocaust

The pink triangle's initial association was one of shame. It functioned as a stigmatizing badge, enforcing societal rejection and encouraging others to ostracize those marked with it. The public display of this symbol in the camps reinforced the Nazi ideology that homosexuality was an abnormality threatening societal cohesion. However, the pink triangle's meaning was never static. For many survivors, the badge became a reminder of brutal persecution but also ignited a desire for remembrance and resistance. As the survivors' stories emerged post-war, the pink triangle gradually transitioned from a symbol of shame to one of resilience.

The Transformation into an Emblem of Pride and Resistance

From Oppression to Empowerment: The Reappropriation of the Pink Triangle

In the 1970s and 1980s, amid the rise of the modern LGBTQ+ rights movement, activists began to reclaim symbols of oppression. The pink triangle was among those reappropriated, transforming from a tool of persecution into a symbol of pride, remembrance, and activism. This reclamation was notably advanced by the Berlin-based gay rights activist groups, who adopted the pink triangle as a badge of honor. The act of reappropriation challenged the historical narrative of shame and emphasized resilience, visibility, and the ongoing fight for equality. In 1979, the pink triangle was prominently displayed during the first Pride marches following the Stonewall Riots, signaling a shift toward empowerment. Activists began to wear pink triangles openly, sometimes alongside other symbols like rainbows and slogans advocating for LGBTQ+ rights.
