Understanding the Choti Collection

What is Choti?

Choti is a traditional ornamental accessory worn primarily in Indian culture. Typically, it refers to a small, decorative nose ring or nose ornament that holds cultural and aesthetic significance. Over time, the term "choti" has expanded to encompass a broader collection of jewelry pieces, including earrings, nose pins, chains, and other adornments that complement traditional attire.

The Evolution of Choti Collection

Initially, choti was considered a symbol of cultural identity and social status among women in various regions of India. Today, the collection has evolved to include modern designs that blend traditional motifs with contemporary aesthetics. Jewelry designers now create a variety of choti-inspired pieces suitable for different occasions, ranging from simple daily wear to elaborate bridal jewelry.
