Coined by Stephen Covey in his influential book *The 7 Habits of Highly Effective People*, the emotional bank account is a way to visualize the trust, respect, and emotional investment we build with others. Just like a financial bank account, it requires deposits to grow and withdrawals to be made carefully to avoid overdrawing and damaging the relationship. This concept emphasizes that every interaction, whether positive or negative, impacts the health and longevity of our relationships, making it a vital tool for anyone seeking to foster trust, cooperation, and mutual understanding.
