Formatting Guidelines

General Paper Format

While the APA manual provides detailed specifications, key formatting elements include: - Font: Use accessible fonts such as 12-point Times New Roman, 11-point Calibri, or 11-point Arial. - Margins: 1-inch margins on all sides. - Spacing: Double-space the entire paper, including references and block quotes. - Page Header: Include a running head with a shortened title (for student papers, this may be optional). - Page Number: Place page numbers in the top right corner.

Title Page and Headings

The title page should contain: - The paper title centered in the upper half of the page. - The author's name and institutional affiliation. - Course details and instructor information (if applicable). - A page header with the title and page number.

Headings are flexible in the 8th edition, allowing for five levels, each with specific formatting:
