Discrepancies can arise when coaches disagree with officiating decisions, leading to confrontations or disputations. The implementation of technology has both mitigated and complicated these interactions—while video reviews assist officials, they also sometimes intensify debates over subjective calls.

The Ethical Dimension of Officiating and Coaching

Both officiating and coaching involve significant ethical considerations. Officiators must remain unbiased, avoid favoritism, and uphold integrity. Coaches are expected to promote sportsmanship, avoid doping, and foster respect among players and officials.
