Wings of Fire

‘Wings of Fire’ is a book by Arun Shrivastava, a former IAS officer, who has written several books on leadership and management. The book is a collection of essays that discuss the challenges of leadership in a rapidly changing world. The author argues that leaders must be able to adapt to change and must be able to inspire their followers. The book is a must-read for anyone who is interested in leadership and management.

Wings of Fire: is a book by Arun Shrivastava, a former IAS officer, who has written several books on leadership and management.
