How to Form Questions with Question Words

The general structure for questions with question words is: - Question word + auxiliary verb (if needed) + subject + main verb + additional info? Examples: - Who is your favorite singer? - What do you like to do on weekends? - Where are you going after school? - When does the movie start? - Why are you studying English? - How do you get to school? Note that some questions may not require an auxiliary verb,

especially when asking about a subject or object directly.

Common Mistakes to Avoid

- Incorrect word order: For example, saying "You are where?" instead of "Where are you?" - Using wrong question words: Confusing "what" and "which," or "who" and "whom." - Omitting the question word: Making statements instead of questions. - Incorrect auxiliary verb usage: Forgetting to include "do," "does," or "did" in questions.
